

NUTRITION 2018

2018 The Korean Nutrition Society Forum

“Dietary patterns, phytochemicals and metabolic syndrome”

It is a great honor and pleasure announcing ‘The Korean Nutrition Society Forum’ session at ‘Nutrition 2018’ with the theme of “Dietary patterns, phytochemicals and metabolic syndrome”.

This event will be held on June 10, 2018 from 3:00~5:00 PM at Rm. 304, Hynes Convention Center, in Boston. In our forum, we would like to hear a recent progress and share up-to-dated knowledge on these topics with attendee. This program will provide a great networking opportunity with internationally prominent scholars, specialists and researchers attendance for this forum.

We are looking forward to seeing you in Boston!
